Subject: Re: Parameters for Dimock Sampling - NEED YOUR INPUT BY 0900 TOMORROW (12/13/11)

You will have something later tonight.

Sorry, things got pushed up. I will need to get something to Jerry describing our sampling strategy by Noon tomorrow. If need be, we can try and conference call tomorrow morning. I would rather not, but just compile your suggestions.
Thanks. Rich

Subject: Parameters for Dimock Sampling

I would appreciate you providing me with a list of proposed sampling parameters by Noon tomorrow. I will send out our consensus list then, once I get your input and compile it.

Thanks again for your continued help.

Rich
